6 次の英文を読んで、後の問いに答えなさい。

What does happiness mean? Have you ever ①(think) of this question? When you hear the word happiness, you may think of a lot of words, such as luck, love and joy. However, what does a person really need to be happy? Do people need a lot of friends (A) to be happy? We all have different ideas of happiness. Some people say that having a good job, a nice house and a healthy family makes them really happy. What do you think about this?

*Indeed, a family is very important for us to be happy. Some families get together on special days such as their birthdays, Christmas or New Year's holidays or go on a trip every year. Or some families have at least one meal a day together even when they have a busy schedule. Children ②() are needed and loved by their family are happy.

Friends are also important for us to be happy. When we are in trouble, we are often encouraged by a friend. Through many kinds of activities, we support each other and develop our friendship. We will be happy (B) to feel our friendship has become stronger.

Well, how about money? Of course we have to work (C) to live and support our family. So we need some money to live. But it is true that some people who have a lot of money cannot find happiness in their life. Why can't they feel happy?

The answer can ③(find) in *the World Happiness Report. The report in 2018 shows that *Finland, Norway and Denmark are the happiest countries in the world. Among the people in these countries, ④ a word "hygge" is popular. *Hygge* is a *Danish word and means the warm and *comfortable feeling which people get when they spend time together with their family and friends. It is the *base of the lifestyle in these countries. People know what is the most important in life.

Happiness is *a state of mind. If people always *complain about everything around them, they won't feel happy. However, if people appreciate everything around them, they will be happy. To appreciate means to thank someone for something. The important thing is to notice the importance of the things that we already have and appreciate them. ⑤ This is the key to happiness. It may be difficult (D) to learn how to appreciate every little thing around us. But if we don't forget this feeling in our life, then *surely, happiness will come to us.

*indeed 確かに * the World Happiness Report 世界幸福度報告書
*Finland, Norway and Denmark フィンランド, ノルウェー, デンマーク
*Danish デンマークの *comfortable 心地よい *base 基礎
*a state of mind 心の状態 *complain 不満を言う *surely 必ず
